

AAPACE SERVICES OVERVIEW

The Association for the Advancement of Post-Acute Care Excellence (AAPACE) is a professional organization dedicated to improving patient, facility, and healthcare outcomes within the post-acute care sector.

The goal of AAPACE is to provide nurses with educational programs and clinical support, provide healthcare facilities with tools and resources to ensure an effective and efficient workplace and recognize those healthcare organizations that demonstrate healthcare excellence.

Facility Recognition Programs 	Courses & Certification 	Clinical Resources and Tools 
<p>NURSING EXCEL</p> <p>Nursing Excellence through a Commitment to Education and Leadership (Nursing ExCEL) is a national quality improvement award program that recognizes those post-acute care facilities that have exemplified a commitment to nursing excellence.</p> <p>AAPACE CERTIFIED FOR ETHICS (ACE)</p> <p>The ACE program is a national award program which acknowledges those healthcare organizations whose practices have demonstrated only the highest ethical standards and principles.</p>	<p>CONTINUING EDUCATION</p> <p>Take any of the following courses listed below to enhance your knowledge and skills for that subject area.
